#### Net asset value

The Fund's net asset value is re-calculated monthly, on the last day of the month. Income is excluded from the calculation, although distributed quarterly.

#### **Distributions**

Distributions are declared on a quarterly basis. The record dates for distributions are the quarterly revaluation dates. Distributions are made within 20 business days of the record date.

## Minimum investment/disinvestment

The minimum holding is GBP250,000.

### Creation, transfer and realisation of units

Trades can take place via matched bargains, provided they meet investor criteria and minimum holding tests. The Manager will attempt, where possible, the matching of buying and selling orders.

#### **Taxation**

## **Capital Gains Tax**

Since it is registered in Jersey, the Fund is not subject to UK capital gains tax. Those investors who are subject to tax may be liable to capital gains tax on the redemption or sale of their units in the Fund.

## Income Tax

While distributions of income are made net of income tax, non-taxpayers are entitled to reclaim any tax deducted at source and receive tax vouchers for this purpose.

#### Stamp duty reserve tax

The fund's registration in Jersey means that the surrender and issue of units does not attract SDRT.

## Charges

## Annual fees

The trustees receive an annual fee, which is payable in arrears, of 0.05% on the first GBP100m of net asset value, 0.04% on the next GBP100m and 0.03% thereafter. The manager is (in addition to reasonable out-of-pocket expenses) entitled to receive a fee of 0.55% pa of the aggregate fund value, and is responsible for the fees of the property advisor.

#### Performance fees

The Manager is entitled to receive a performance fee based on 20% of the outperformance of the fund's total return relative to the shopping centre component of the MSCI UK Annual Index, plus 1%. (This fee is calculated on a three-year rolling basis.) Performance fees are accrued and are therefore reflected in the quarterly recalculation of the Fund's net asset value.
