

Aviva Investors Pensions Limited

INVESTMENT POLICY AND OBJECTIVES

The objective of the Fund is to outperform the weighted average return to All Balanced Fund Index component of the MSCI/AREF UK Quarterly Property Fund Index by 1.0% p.a. over rolling three year periods, gross of the annual management charge. The Fund aims to achieve this through investing in UK commercial properties across all major sectors (offices, retail and industrial) and undertake active management opportunities wherever possible to enhance the value of assets. The Fund's benchmark is the weighted average return to the All Balanced Fund Index component of the MSCI/AREF UK Quarterly Property Fund Index.

The Fund is positioned to be relatively low-risk, focusing on delivery of an above-average income return, across a balanced property portfolio.
