

**Real Estate:UK
Annual Conference 2026**

Real Estate:UK | Annual Conference 2026

As the new unified representative body formed from the merger of AREF, BPF and IPF, Real Estate:UK brings together the full breadth of the UK real estate industry under one organisation.

Representing a sector that employs over one million people and contributes more than £100bn to the UK economy each year, RE:UK serves as the single, authoritative voice for investors, developers, owners, lenders, advisers and stakeholders across the built environment. Its mission is to drive excellence, support innovation, raise professional and ethical standards, and act as a trusted partner to government and regulators.

The Real Estate:UK Annual Conference is the UK's leading event for those shaping the future of the built environment. This flagship event brings together senior leaders, policymakers, investors, and innovators from across the property and construction sectors for a day of insight, discussion, and collaboration on the key issues driving UK's real estate industry - spanning the commercial, residential, retail and leisure markets.

The event attracts an audience of over 250 attendees, including many of the most influential executives and decision-makers in the industry. This event is open to members and non-members and takes place at TOGETHER, 88 Wood Street in London on 7 July 2026.
